

## NO SHOW POLICY

As a courtesy to other patients who wish to see the doctor as quickly as possible, please call to reschedule or cancel your appointment as soon as you know you will be unable to keep your appointment. If you contact our office more than one business day before an office visit and at least three business days before a procedure you will avoid the No Show charge.

If you do not call to cancel your appointment more than one business day before an office visit or at least three business days before a procedure you will be billed \$25 for a missed office visit or \$75 for a missed procedure.

Our goal is provide excellent care to our patients, the No Show charge helps us ensure efficient and effective scheduling so that patients may be seen by their doctor as quickly as possible.
